Jeff and Ken:

Let me know if this is approved as soon as you are able. We need to send the original via overnight today in order for Jeff to receive it on Monday. Alternately, if you have comments late, we can have one our Richmond folks bring a hard copy on Monday. Let me know what works. Thanks.

Sincerely,

Subject: Sample Reporting for Outfall 010

Scott,

As we briefly discussed yesterday, I have attached the DMR pages for the revised permit. I tried to print and scan in only the 010 pages but the quality was not good so this is the entire package.

The DMR is due by 2/10.

Ken is preparing some additional information that we'll attach specific to Outfall 010.

Please fill out the data on the Outfall 010 pages and have them signed by the person that conducted the sampling. I will provide the second certifying signature once received. For parameters that were not required to be sampled (Acute & Chronic Toxicity, etc) put "NS" in the blank.

When completed and signed, return the originals (with original signature) to me by Monday, 02/08. Send a scanned copy to Ken and I for quick review.

If you have any questions, please let Ken and I know.

Thanks.

Jeff Marcell
